

Packaging and Shipping Division 6.2 Materials

Sponsored by Georgia Public Health Laboratory

Course Description

This intermediate-level, one-day program provides a comprehensive overview of regulations applicable to packaging and shipping laboratory specimens. Lectures, demonstrations, and group exercises will be used to provide instruction on complying with international, federal, and local transportation regulations. Participants will be tested on their knowledge of the regulations and receive documentation of attendance and testing.

Note: PACE Continuing Education Units (CEUs) are not available.

Date

Monday, May 6, 2019
