Partnership Opportunities

About SkillsUSA Georgia

We Are a Partnership

SkillsUSA Georgia is a partnership of students, teachers and industry working together to ensure Georgia has a skilled workforce.

Who We Serve

A nonprofit education association, SkillsUSA Georgia serves middle-school, high-school and college/postsecondary students preparing for careers in trade, technical skilled service occupations.

What We Do

We improve the quality of our nation's future skilled workforce through the development of SkillsUSA Framework skills that include personal, workplace and technical skills grounded in academics.

2026 Career Expo

What is the Career Expo?

Over 150 exhibitors at the Career Expo are placed alongside the state career competitions that are shaping and celebrating Georgia's career ready students. Across the exhibition floor, interactive experiences inspire participants while industry connections are forged to enhance classrooms and develop the country's talent pipeline.

More Exposure and Sales Opportunities than Ever!

All exhibits are on the competition floor, your exhibit location will be near a career cluster that's right for you. Put your products in the hands of teachers and students who will share them with their peers in schools and technical colleges across the state of Georgia. You will meet key decision-makers in career-and-technical and school-to-work education as well as business and industry leaders.
